NUMBER 33.

Reception This Afternoon.

THE friends of Dr. and Mrs. E. H. Rutherford of all of the denominations of our city are invited to attend the reception given to them to-day by the ladies of the Second Presbyterian Church at the residence of Mr. Newton Mitchell, on Duncan avenue, from 3 to 6 p. m.

About Main Street.

James M. O'Brien, Chairman of the Improvement Committee of the City of Paris, has received the following letter:

Dear Sir:—Replying to your favor of the 4th inst. We intend to make the necessary corrections and repairs in the pavement on Main street. This work we could begin now, but the weather is likely to be unsettled and we would, therefore, prefer to wait until May 1st. Still, if the weather is favorable, we may begin work earlier.

We cannot say at this writing how long it will take to do the work, for we do not know how much is to be done. But we mean to do it thoroughly and to your satisfaction, and complete it as quickly as possible.

Yours very truly,
NATIONAL BITUMEN CO.

Another Street Wedding.

Street weddings are ceasing to be a novelty in Paris, as another one came off Friday at noon. Mr. Wakeman Moore and Miss Lena Trent, both of Centerville, this county, drove to town in a buggy Friday and secured a marriage license and then turned the horse's head up street in quest of some one to tie the knot. As they turned into Seventh street they spied Squire J. P. Howell standing on the street talking to some friends. They called him aside, produced their license, and were married without getting out of the buggy. The Squire's ceremony was short and sweet, and after congratulations of the crowd attracted by the rather unusual scene, the happy couple drove to their home. This is the second wedding of the kind in our city in past few months.

Ex-Parisian Meets With Serious Accident.

The Sunday Courier-Journal gives the following account of an accident which came near being fatal to an ex-Parisian:

"Harry D. Hutchcraft, check clerk of the Louisville Transfer Co., while driving on Fourth avenue, between Broadway and York streets, Saturday collided with a street car with serious results.

"Mr. Hutchcraft was in a buggy, intending to call at the residence of Mrs. Elizabeth Lytle. In attempting to turn his vehicle from the east to the west side of the street, about 50 feet in front of the car, which was going south, his horse became frightened at the sound of the car-gong, and attempted to run. Before Mr. Hutchcraft could clear the track the car struck the buggy about midway, throwing it 8 or 10 feet into the air. Mr. Hutchcraft was thrown violently into the street, and the buggy, which was smashed, was hurled over his prostrate body, partly on the pavement. The horse broke loose from the debris of the buggy.

"Mr. Hutchcraft was carried, shocked and bleeding profusely about the face and head, into Mrs. Lytle's house, where Drs. Ewing Marshall, George W. Griffiths, L. H. Kerr and W. H. Coleman made an examination. He was found to have sustained a deep cut in the back of the scalp, a concussion of the head, and another on his left hip. His skull was not fractured, which the physicians considered remarkable, considering the depth of the cut in his scalp. He was taken to Sts. Mary and Elizabeth Hospital."

Mr. Hutchcraft is a brother of Miss Anna Hutchcraft and Perry Hutchcraft, of this city, and has been employed by the Louisville Transfer Co. for about 15 years. A telephone message from his nurse at the hospital to his sister, on yesterday, announced that he was getting along nicely and that his injuries were not considered fatal.
